SECOND PUBLIC RECYCLING NATURE

Team up to provide recycling in Papillion to reduce large amounts of waste at city parks and promote your company on our street level billboards!

Second Nature, Sarpy County and City of Papillion

Second Nature, Sarpy County and City of Papillion

- ▶ We are installing 25 recycling containers at Leo Royal Memorial Park, Fields at Papillion Soccer/baseball Park, Peterson Memorial Park/swimming pools, Papillion City Park, and the New Papillion Public Works Building for Papillion's green initiative. Join our cause. Support the environment through sponsorship. Your sponsorship helps the City of Papillion support Recycling. **Without local sponsors, this program can't be successful.**

Sponsorship opportunities

- ▶ To help support the City of Papillion's new recycling program at the City parks we need sponsors. The following is a list of sponsorship opportunities:
- ▶ 25 containers at Leo Royal Memorial Park, Fields at Papillion Soccer/baseball Park, Peterson Memorial Park/swimming pools, Papillion City Park, and the New Papillion Public Works Building.
- ▶ 10 signs on 10 containers for 2018: \$1,500 with sign production
- ▶ 25 signs on 25 containers for 2018: \$3,250 with sign production
- ▶ 50 signs on 25 containers(2 sides) for 2018: \$5,750 with sign production
- ▶ 75 signs on 25 containers(3 sides) for 2018: \$8,000 with sign production

Past Success

- ▶ Huge positive response from patrons and event organizers.
- ▶ Each event organizer has requested us to participate for their event next year event.
- ▶ Large amounts of diversion of recyclable product.
- ▶ Second year events had increase awareness of the Recycling containers
- ▶ Sponsors have had great brand recognition and positive press for helping create and continue our program
