# Street Level Billboards

**MEDIA KIT**

# SECOND PUBLIC RECYCLING NATURE

Second Nature Media has an average CPM under \$4.

As low as \$0.36 with certain areas  
\$.07 CPM

- ▶ Second Nature's Container Billboards are almost half the cost to Billboards and 4 or 5 times less expensive than more other advertising available based on CPM and impression cost. With some locations as low as \$0.07 cpm.
- ▶ Numbers don't include pedestrian data for City of Omaha. Most locations are at intersections and/or with high pedestrian traffic areas for better results than billboards.
- ▶ Our events locations and setup allow consumers to take time see and read your message. Much better than typical billboards when consumers are driving at high speeds.
- ▶ Over 2.5 million people attend the over 125 events the Recycling on the Go program participates in.

# SECOND PUBLIC RECYCLING NATURE

With the support of the Nebraska Environmental Trust over the last several years, Second Nature has been providing Recycling on the Go! to over 2 million people last year at over hundred events. The Nebraska Environmental Trust also helps provide our service at all our locations.

The Nebraska Environmental Trust has been working to protect Nebraska's natural resources for 25 years. Using Nebraska Lottery proceeds, the Trust has provided over \$289 million to projects across Nebraska for habitat restoration and preservation, water conservation, environmental education, waste management and recycling.
